TO WHOM IT MAY CONCERN:

[Solatube International, Inc.](#) sponsors the following Continuing Education course:

“Introduction to Tubular Daylighting Devices (TDDs)”

AIA Credit: (1) Learning Unit – Health, Safety, and Welfare

Subjects: Daylighting, Lighting, Energy Efficiency

1. Learn about the latest advanced optical daylighting technology and the product category Tubular Daylighting Device (TDD) which makes daylighting a space as easy as applying traditional lighting equipment.
2. After a brief overview of typical daylighting strategies and key energy and human performance based reasons for daylighting today’s buildings, the audience is introduced to the three technology zones that are common to every TDD.
3. Commercially available component technologies are compared and contrasted, allowing the designer to make informed decisions when choosing the appropriate TDD technology for their application.
